

## Tab - Fee Schedule

### “Fees/Donations”

No “set fees” are charged for you’re ministry services.

This ministry is supported entirely on donations, gifts, and offerings you and others give. Ministers are” not” salaried and are not employees of a church. This is a Faith-based ministry.

It is therefore determined by you what our fee will be by your donation. Since ministers are not salaried they are dependent on your gifts and donations for their source of income. What you pay us is our income for the time we spend with you.

You may give a donation several ways. Please read the following and determine which applies to you:

1. As the Lord leads, you may give any amount above the suggested minimum donation of \$35.00 per hour
2. We understand that there are circumstances, which could make it difficult for you to pay \$35.00 per hour for ministry. However, if you are employed, we feel that you should make an hourly donation for the services.
3. You may discuss with your counselor your financial circumstances and your ability to make or not make a donation.
4. Regardless of your ability or inability to make a monetary donation you will still be provided spiritual counseling.
5. You may refer to the scale below to determine the suggested donation fee according to your annual gross income:
